

MEMBERSHIP CHAIRPERSON

Good morning (afternoon) guests! Welcome to LeTip of _____.

My name is _____, I am the membership chairperson and the chapter's _____ (Fill in with your category).

LeTip International, Inc. has been in business since 1978, over 41 years! We have 260 chapters with approximately six thousand members, which includes 20 states and Ontario, Canada.

We are the largest, most professional, family-owned networking group in the world. We are a business organization, not a social club. We have rules and a structure designed to help you put "Dollars in your pocket".

If you are looking for a place to have breakfast or lunch, you are in the wrong place. If you are interested in increasing your business, you are in the right place.

There are five reasons why you should join LeTip:

1. **"Dollars in your pocket!"** (*Make this your rally cry and have everyone say it together.*)
2. Members become better public speakers. Each week you give a 30 second commercial, every so many weeks you are our speaker and when becoming the "Lucky Devil" for a day, you learn to speak extemporaneously.
3. LeTip is a family...the loyalty of doing business with each other not just making friends. That is the perk of being a member.
4. Referral source for your clientele...Many professionals are looking for someone to refer their clients to whom they can trust. Because they trust you and like you, they will trust our members and do business with them making YOU the referral source to go to.
5. Psychic income, that feel good feeling you get by helping others.

Please see me, or a committee member, after the meeting, to go over the application information. We would love to have you join us.

Announcements: Use this time to announce chamber mixers, your own chapter mixers, etc... SMILE!

Badge Colors
