

BUSINESS MIXER CHAIRPERSON

Good (morning/afternoon), my name is, _____ and I am the chapter's (fill in with your category) _____, I am also the business mixer chairperson.

We have quarterly business mixers, not socials to promote new members and chapter growth. We realize 50% of our referral business comes from significant others and those close to us. We invite them to get to know us in a setting different from our regular meetings. These mixers are held at a restaurant, hotel or country club and NEVER at a member's place of business, unless they own one of the businesses mentioned above.

It is suggested we try to have an early morning mixer. We are a morning chapter, so it makes sense! Our next mixer will be (date and day) _____ and please remember, our regularly scheduled meeting for this day will be cancelled, as our mixer will take its place.

You are encouraged to invite interested prospects, spouses, best friends and those interested in joining LeTip to grow our chapter and increase everyone's business.

If you would like to give a commercial at the mixer and be recognized, you may donate a door prize. Please advise the business mixer chairperson before the event and bring the item with you on that day.

This is a mandatory meeting for all members. If you fail to attend there is a gentle reminder. LeTip is a family. Let's work together and build our chapter!
