

Top 50 Categories

LeTip chapters are made up of all various categories. Here is a list of the top 50 categories. These categories are made up of the most members and professions chapters across the country are growing their groups by inviting. Chapters should have their members target their power partners and from the categories your chapter currently does not have filled invite these categories to the chapter meetings and business mixer events. A copy of the top 50 categories can also be downloaded at www.letipwired.com (Documents library - keyword search: Top50)
